

HIGH PRESSURE ACCESSORIES

HIGH PRESSURE HOSE AND FITTINGS

Code : KH630

■ Technical description

Code	KH630
Hose	Ø 6 x 10 mm 30 metres
Operating temperature	-20°C to 65°C
Operating pressure	0 - 30 bars

■ Application

- High pressure hose with HP connection.
- Ideal for a network or directly from an AKHL high-pressure compressor.
- Possibility to make a pneumatic extension.
- Consists of a vinyl chloride elastomer high-pressure hose, two high-pressure fittings, a nipple and a coupler.
